Help ZERO find the way through the maze.
As you go through you will find many
activities that require ZERO alcohol.

Be Smart! SAY....

Fill in the shapes that have dots in them to find what to say
when offered alcohol or other drugs.

Life is more than Froth and Bubble...
 Say "No" to Alcohol!
 Choose Life—Not Death!

Use the Bubble Code below to work out the message in the bubbles in the beer glass. See if you can learn to say the verse from memory.

Enjoy Life - Keep Your Brain Smart! Say "No!" to Alcohol!

Find the 12
differences
in the
pictures.

Beware of its Bite!

Find the following alcoholic substances in the wine bottle:
alcohol, alcopops, beer, bourbon, champagne, cider, gin, rum, spirits, vodka, whisky, wine.

Words go across, down, backwards, forwards and diagonally.

When you have found all the words, write the remaining letters in order from left to right, to discover part of the warning found in Proverbs 23:31,32.
