

# 3. We Can Choose a Drug-free Life

Many people take drugs because they feel there is something missing in their life. Jesus can fill that missing place in a far better way than drugs ever can. Use the missing alphabet letter puzzle to discover what Jesus said about following Him.

MEMORY VERSE: Mark 8:34

### 3. We Can Choose a Drug-free Life

The descendants of this man were faithful to a promise that they made to their father. They promised him that they would not drink wine and they refused to drink wine, even when asked by the prophet to do so.

God used them as an illustration of people who remained true to their promise and who were faithful to obey their father.

God wants us to remain true and faithful to the promises we make to Him.

Ignore all the grapes with the letter “w” and write the other letters in order into the memory text to find the name of the man whose descendants were faithful to their promise.

#### MEMORY VERSE:

Jeremiah 35:14 \_\_\_\_\_, \_\_\_\_\_'s son, ordered his descendants not to drink wine. This order has been carried out. His descendants have not drunk any wine to this day, because they have obeyed their ancestor's order.
